MD. HOSSAIN HABIB KHOKON

Electrical & Electronic Engineering (EEE) Student | Aspiring Electrical Engineer

☎ **01705-901267** (WhatsApp) ✉ **mdhossainhabib9@gmail.com** **Uttara, Dhaka, Bangladesh**

SUMMARY

Motivated Electrical and Electronic Engineering student at Uttara University (5th semester, CGPA 3.25), seeking an internship or entry-level position in a professional engineering environment. Developed a wireless power transfer system as an academic project and participated in a university robo soccer bot competition. Over two years of teaching and mentoring experience has built strong communication, problem-solving and time-management skills.

EDUCATION

B.Sc. in Electrical & Electronic Engineering
Uttara University | Expected 2029
5th Semester (ongoing)
CGPA **3.25** / 4.00

Higher Secondary Certificate (HSC) - Science
Dhaka Board | 2024
GPA **4.67** / 5.00

Secondary School Certificate (SSC) - Science
Dinajpur Board | 2022
GPA **4.33** / 5.00

PROJECT

Wireless Power Transfer System

Academic Project

- Developed a system that transmits electrical power without physical wires by generating a magnetic field

EXPERIENCE

Online Marketer

Mim Land & Flat Project | Real Estate

Sep 2026 – Present

- Manage the company's Facebook page, designing and posting photos and videos for land, flat and plot projects
- Communicate with customers and provide information about available lands, flats and plots
- Handle the company's online and digital work

Professional Home Tutor

Self-Employed

Jan 2024 – Present

- Teach 15+ students individually in Mathematics, English and Science subjects (Physics, Chemistry, Biology), helping them improve in class tests and exams
- Manage multiple tutoring schedules alongside full-time university studies

Assistant Teacher

Suf-fa Academy

Jan 2024 – Jan 2026

- Taught Mathematics and Science subjects to the SSC 2025 and SSC 2026 batches and to students of Class 1 to 8
- Prepared lessons around students' needs, tracked their progress and took part in academic seminars

SKILLS

TECHNICAL SKILLS

Programming: C, C++, Basic Python, HTML

AI Tools: ChatGPT, Gemini, Claude and other AI tools for efficient work

Design & Coding: Tinkercad (basic design and coding)

Software: Microsoft Word, Excel & PowerPoint

Digital Marketing: Facebook page management, photo and video design

Robotics: Robo soccer bot (competition and workshop)

CORE COMPETENCIES

Problem Solving **Analytical Thinking**
Communication **Teamwork** **Leadership**
Time Management **Presentation**
Quick Learning **Digital Marketing**

LANGUAGES

Bengali: Excellent (Reading, Writing, Speaking)
English: Good (Reading, Writing, Speaking)

KEY ACHIEVEMENTS

- ✓ **2+ Years of Teaching Experience**
  Home tutoring and academy teaching since 2024
- ✓ **15+ Students Taught**
  Individual home tutoring in Mathematics, English and Science subjects
- ✓ **SSC Batches 2025 & 2026**
  Taught Mathematics and Science at Suf-fa Academy
- ✓ **Robo Soccer Bot Competition**
  Participated in the university competition and completed a 2-day workshop

ACTIVITIES & INTERESTS

Activities: Robo soccer bot competition, academic seminars, community service
Interests: Technology, Engineering
